

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Please amend the last paragraph on page 2, and continuing onto page 3 as follows:

Fig. 2 is a radiation pattern of an antenna having a radiation-conductive element of substantially $1/2$ wavelength according to the same embodiment ~~mbodiment~~;

Please amend the last paragraph on page 5, and continuing onto page 6 as follows:

Fig. 36(a) is an impedance characteristic of the antenna according to the same embodiment, and Fig. 36(b) ~~Fig. 36(a)~~ is an impedance characteristic of the conventional antenna shown in Fig. 39;
